RUST BUSTER

For rust removal on metal surfaces, Rust Buster goes to work instantly. It quickly loosens bolts, screws, shafts, piping, and all types of "frozen" connections and assemblies. With a specially designed spout, Rust Buster can reach up to 7" to penetrate rust in the tightest spaces.

Part No.	Description
MRB	SQUIRT BOTTLE

ZOOM SPOUT OILER

A high quality all purpose lubricating oil. It has a flexible spout that expands and retracts, to adjust to any length in between. The Zoom Spout Oiler can withstand high temperatures without breaking down.
